A Traditional Canadian Adventure

Pickerel Bay Cabins & Outfitters
We are located on the distant northeast side of Lac La Ronge and approximately 65 kilometers from the village of La Ronge. Accessible only by boat or float plane. Our camp sits inside Pickerel Bay on the edge of the glacial shield. We have a fleet of quality boats and motors we outfit to our customers and a full service dock. Come rent a cabin and let us do the rest. You can dine in the main lodge or cook on your own in your cabin. World-class fishing awaits you on Lac La Ronge. Explore this ancient lake covered in over one thousand untouched islands.

Why go beyond La Ronge!
Lac La Ronge is a world-class fishery that is also a protected provincial park. Part of the Churchill River, Lac La Ronge is the fifth largest lake in Saskatchewan. The lake supports the trophy size of Walleye, Lake Trout, Pike, Perch, Burbot, and Lake Whitefish. It also has more variety of fish species than any other lake or river in the province. Also, check out our remote, private hike-in lakes.

Pickerel Bay is known for its great Walleye fishing.

Northern Pike will hit your lure with ferocity.

Get Back To Basics

Lac La Ronge
The lake is over 1400 square kilometers with more than 1300 islands. Pickerel Bay Cabins is surrounded by some of the most splendid boreal forest in Saskatchewan. Enjoy the Land of the Living Skies and the friendliest lodge in the north. Come and eat, fish, and explore this amazing place.

The Lodge
Enjoy breathtaking views on the front porch overlooking Pickerel Bay. The main lodge is open 24 hours a day for our guest’s convenience. Come in for coffee and pastries, bring your favorite beverage and dine in. Our kitchen prepares delicious home cooked meals. Enjoy watching your choice sports team, use our free Wi-Fi, or sit by the fire and share some hunting and fishing tales with the other guests.

The Cabins
Our cabins are constructed of native spruce logs, harvested on site. With a total of ten cabins, each with its own uniqueness, we can accommodate from one person up to a group of eight. We also have cabins for couples and families.
Each cabin is equipped with electric fridges, linens, fresh bedding, wood stoves for heat, BBQ’s, and a small kitchenette equipped with propane cookers and your culinary needs.

We process all trophy fish and have freezing facilities.

Location & Amenities
Located at an elevation of 1200’, the lodge and cabins sit on the Canadian shield, exposed pre-Cambrian granite rock. Privy’s are located throughout the camp. We have clean, centrally located private hot/cold shower facilities. We also have a fully supplied tackle shop and an ice house that’s stocked with locally harvested ice. We have the amenities you need for a truly great Canadian adventure.

World class Lake Trout abound in Hunter Bay.

We’ll see you at the lodge!
